Dear Sir/Madam,

REGISTRATION FOR MIMAS COMPETITION 2020

We are pleased to inform that the 2020 Malaysia International Mathematical Arithmetic for Schools (MIMAS) will be held on 1st and 2nd April 2020. The Malaysia Mathematical Arithmetic Educational Institute and the “Kesatuan Kebangsaan Guru-Guru Besar Malaysia” are jointly organised the following two Mathematics competitions. We welcome your students to take part in the competitions.

1. [Arithmetic Category]

The MIMAS Arithmetic Category will be held on 2nd April 2020 (Thursday). Questions of test papers for this competition are generating by the Beijing Shenmo Education Group which is the largest mental arithmetic training institution in China. All the questions are in line with the Mathematics knowledge and calculation skills of Malaysia Ministry of Education. Winners of the Gold award will be invited to participate The 7th “Shenmo Cup” Mental Arithmetic International Competition on 31st May 2020 to compete with representatives from China, Singapore, Myanmar and other countries.

Date: 2nd April 2020

Time: 30 mins (will be administered at each school separately)

Venue: All participating schools

Fee: RM 43 per person

Group: **【Primary】** Standard 1 to 6, total 6 levels;

【Secondary】 Form 1 to 3, total 1 level.

Format: Each student is required to complete 3 papers: Paper A, B and C. 5 minutes are allocated for each test paper and 5 minutes break are given in between before answering the next paper. The total time allocated for this competition is 25 minutes. (All questionnaires are addition, subtraction, multiplication and division calculation skills based on each student’s standard.)

Medium: Bahasa Malaysia, English and Chinese

2. [Mathematics Category]

The MIMAS Mathematics Category will be held on 1st April 2020 (Wednesday). Questions of test papers for this competition are generating by The COMO-Cross-Strait Elite Mathematical Invitational and Edukids Technology Sdn. Bhd. All topics are related to high order thinking questions and provide the opportunities for students to challenge, learn and unleash their potential in order to cultivate their interest in Mathematics. Participants will receive a certificate or award which commensurate with their performance. In addition, winners of the Gold award will be invited to participate in the Malaysia Mathematical Invitational – Finals on 31st May 2020. Through the finalist, the Winner will be winning a chance to participate in the World Mathematics Invitational (WMI) at Malaysia in 2020 with participants from countries throughout the Pacific, South East Asia and others.
