Dear Sir/Madam,

REGISTRATION FOR MIMAS COMPETITION 2021

We are pleased to invite you to participate in the 2021 Malaysia International Mathematical Arithmetic for Schools (MIMAS), which is organized by the Big Tree Academy Malaysia Sdn. Bhd. We welcome your students to take part in the competitions.

1. [Arithmetic] - Malaysia Arithmetic Olympiad (MAO)

The MIMAS Arithmetic Category will be held on 19th April 2021 (Monday). Questions of test papers for this competition are generating by the Beijing Shenmo Education Group which is the largest mental arithmetic training institution in China. All the questions are in line with the Mathematics knowledge and calculation skills of Malaysia Ministry of Education. Winners of the Gold award will be invited to participate in the “Shenmo Cup” Mental Arithmetic International Competition on the 11th & 12th of June 2021 to compete with representatives from China, Singapore, Myanmar and other countries.

Date: 19th April 2021 (Monday)

Time: 30 mins (will be administered at each school separately)

Venue: All participating schools

Fee: RM 50 per person (Schools only have to submit RM47 to us, the rest will be served as postage expenses and etc.)

Group: **【Primary】** Standard 1 to Standard 6, total 6 levels;

【Secondary】 Form 1 to Form 3, total 1 level.

Format: Each student is required to complete 3 papers: Paper A, B and C. 5 minutes are allocated for each test paper and 5 minutes break are given in between before answering the next paper. The total time allocated for this competition is 25 minutes.

Medium: Bahasa Malaysia, English and Chinese

Team Award: School will automatically take part when the participants exceed 10 people.

The total mark of top 10 students from each team will be selected and compete with other team. The champion, runner up and second runner up will be awarded with trophy and certificate.

2. [Mathematic] - Malaysia Mathematics Invitational (MMI)

The MIMAS Mathematics Category will be held on 22nd April 2021 (Thursday). Questions of test papers for this competition are generating by The COMO-Cross-Strait Elite Mathematical Invitational and Edukids Technology Sdn. Bhd. All topics are related to high order thinking questions and provide the opportunities for students to challenge, learn and unleash their potential in order to cultivate their interest in Mathematics. Participants will receive a report which evaluate their performance. In addition, winners of the Gold award will be invited to participate in the Malaysia Mathematical Invitational – Finals on the 11th & 12th of June 2021.
